

Can't afford to buy a home of your own?

If you are a

- **Housing Association Tenant**

Or

- **Registered on Homechoice and in housing need**

As long as you can raise 75% of the costs of buying a home, we may be able to help you with the rest with our Homebuy scheme. You can choose a home on the open market just like any other home buyer and we can top up your mortgage by a further 25% with no rent or repayments required.

The purchase price limit for a 2 bedroom home in the Eastleigh area is £129,600 and for a 3 bedroom home it is £161,200.

Applications are invited now for our new scheme to commence on 1st April 2003. Places are limited on the scheme and applications must be received before this date to be considered. First Priority will be given to Housing Association tenants.

Maybe you can with our
Homebuy scheme
